

NEWS PRESENTATIONS

Although our news presentations did not go to plan towards the end of last term, we thought we would start fresh for Term 2! Throughout the term, students will be asked to present one news presentation on one of the given topics.

These topics include:

Topic One

'Choose your favourite book. Explain what the book is about and what you like about it. Who would you recommend it to?'

or

Topic Two

'Choose a country overseas. Explain why you would like to visit there, what you might see or do there and how would you get to your destination?'

An activity will be set on Seesaw where your child can review the instructions for the task then record themselves sharing their news presentation. Although it is a different way to present, we still encourage students to focus on eye contact and speaking clearly in preparation for formal public speaking in Term 3.

This activity will need to be completed before the end of Week 5 (Friday 29th May).

We would love to be able to share these videos with the whole class just as we would if we were at school. Please let us know if your child is happy for their video to be shared!
