

# Year 1 Home Learning Platforms

THESE APPS AND WEBSITES ARE KEY TO YOUR CHILD'S HOME LEARNING THROUGHOUT TERM 2.

## SEESAW

Seesaw is our main platform for Home Learning.

Seesaw is where we will be sharing announcements, updates, lessons, activities and feedback.

## READING EGGS

Reading Eggs is an app that your child can log into using the details provided by their teacher.

Reading Eggs provides the children with games and activities to practise key reading skills.

## MATHSEEDS

Mathseeds can be accessed through the Reading Eggs app.

Mathseeds provides the children with games and activities to practise key Maths skills.

## WUSHKA

Wushka is a cloud based levelled reading program.

Wushka will be used as a way for teachers to continue tracking your child's reading progress.

## STUDYLADDER

Studyladder is an online learning website with many activities for English and Maths.

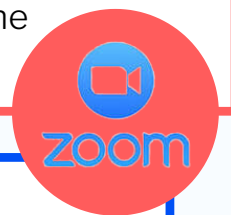

Studyladder will be used as a way to support home learning through different activities.

## ZOOM

Zoom is a video conferencing tool to help us to connect with each other.

Zoom will be used as a way for teachers to check in with the children each week.

## WEEBLY

Our Home Learning website can be found at <https://stpatrickshomelearning.weebly.com/>

This website will be where weekly learning plans and other resources are shared.
