	<b>VIEW</b> <a href="https://www.youtube.com/watch?v=xUCYFof8QyA">https://www.youtube.com/watch?v=xUCYFof8QyA</a> Collect wheeled toys or balls around your home. Play with them on different surfaces. THINK: Do some move faster or further than others? Does the surface effect how far they travel? Why/why not?	At the end of this weeks planned online learning you will see a slide with a variety of activities you and/or your child can do throughout the day. These activities are completely optional. Enjoy!!! Your child can upload a photo to their Seesaw journal of any of these activities if they would like to.
