Maths	Must Do Activities	Can Do Activities	
	<p>Addition and Subtraction Seesaw activity using split and jump strategy</p> <p>Number of the day activity https://mathsstarters.net/activity/numdaystudent/junior/2digit</p>	<p>Some more challenging activities https://nrich.maths.org/7819/note</p> <ul style="list-style-type: none"> Fun Game Flip 4 and Add The first player flips 4 cards to make two 2-digit numbers and adds these together. The next player also flips 4 cards and adds the two 2-digit numbers together. The player with the largest number gets a point. The player with the most points wins. (Variation choose 2 cards and add together or choose 6 cards to make two three-digit numbers and add together) If you need to work out these addition sums do them in your workbook. 	
Other	PDHPE	Hands on Learning Social and Emotional Learning Daily Fitness	
	<p>DISCUSS your family's traditions How did your family celebrate Easter this year? Does your family have any special traditions they follow for Easter eg. food, clothing, decorations? How was this Easter different to last year? Draw a picture of your family's Easter celebrations.</p>	<p>At the end of this weeks planned online learning you will see a slide with a variety of activities you and/or your child can do throughout the day. These activities are completely optional. Enjoy!!! Your child can upload a photo to their Seesaw journal of any of these activities if they would like to.</p>
